

MEDIA RELEASE

Automate your reefer operations. Meet us at the Intermodal Europe in Rotterdam, November 6 – 8th, 2018.

Let our team of specialists inform you about the latest developments in the container and intermodal industry.

We are exhibiting in cooperation with Smith Holland at the Intermodal Europe, the world-leading exhibition and conference for the container and intermodal industry. All areas of container transport, logistics and management are covered. Exhibitors and visitors alike can visit us at booth E20 at AHOY Rotterdam and learn how to improve real-time visibility. Our automated reefer monitoring and control systems covers all aspects of cool container management.

Register today – <https://www.intermodal-events.com/en/visiting-intermodal-europe.html>

We look forward to seeing you in Rotterdam at the Intermodal Europe!
