

# Visibility Delivered.

We are a global company with employees from all over the world. Through our subsidiaries in Austria, Norway, Germany, Australia and the US our team is spread across the board. This creates an open and even so familiar atmosphere at IDENDEC SOLUTIONS. Our excellent teamwork allows for the development of innovative and reliable wireless solutions to improve efficiency, safety as well as security in challenging industrial operating environments. Our sector-specific applications are in use in the oil & gas, port & terminal, tunnelling & mining sectors, as well as the automotive and chemical industries.
