

MEDIA RELEASE

Greater visibility and automation of terminal operations. Join us at the TOC Americas, November 13 – 14th, 2018 in Panama.

Meet our team of specialists at the 18th TOC Americas exhibition for port & terminal technology in Panama.

We will be exhibiting at the TOC America in November in Panama. The TOC Americas Exhibition represent the most comprehensive show for the container transport community in America. Stay up to date with the latest development, technology and equipment the industry has to offer. Visitors have the opportunity to meet with 80+ exhibitors and attend conferences and forums relating to the current challenges for the container supply chain. Meet our IDENTEC SOLUTIONS's team of specialists at the exhibition booth, E21, and learn how the cutting edge CTAS Reefer monitoring handles entire processes, such as basic temperature monitoring and cool container management. Discover how real-time visibility ensures improved transaction accuracy, enhanced operational safety and shorter turnaround time at gates.
