

## MEDIA RELEASE

# You want to optimize energy consumption and save costs in reefer management? Come to TOC Europe!

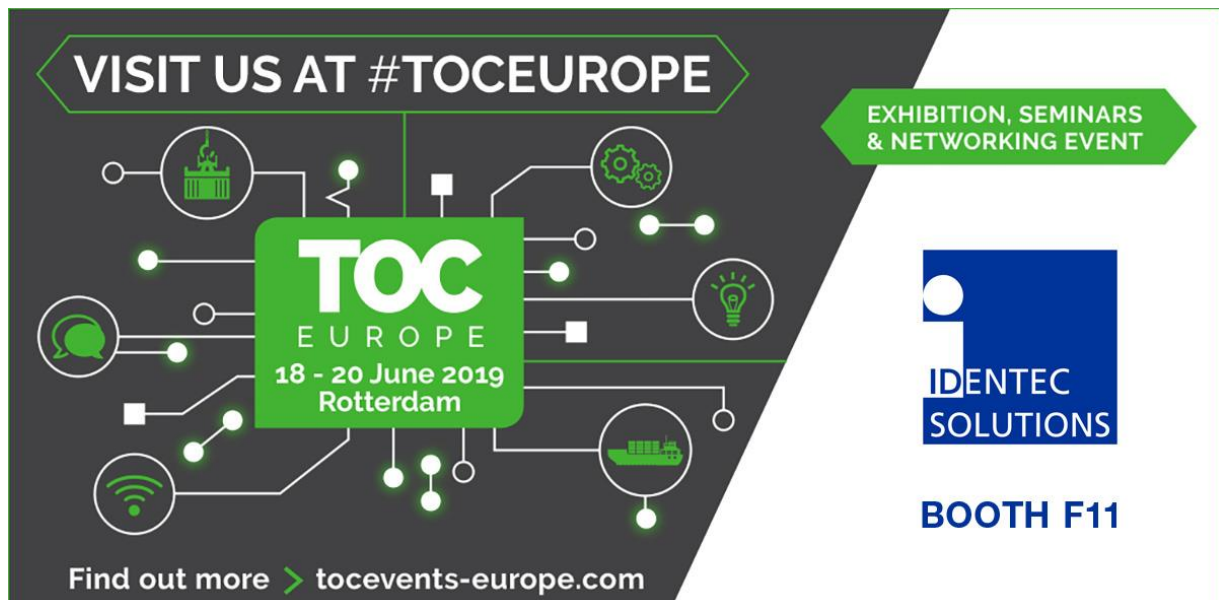

Our experts will be on the spot to inform you about our enhanced Reefer Runner solution in Hall 1, booth F11, from June 18 to 20<sup>th</sup>, 2019.

TOC is the global meeting place for ports, terminals, shipping lines, 3PLs & shippers. It's part of a global portfolio of events that brings together stakeholders of the container supply chain to learn, debate and network.

Our team will answer all of your questions about IDENTEC SOLUTIONS' latest **Reefer Runner** and **Terminal Tracker** solution in order to increase your future quality processes. Come and get informed about the most sophisticated solutions in the market.
