

MEDIA RELEASE

Join us at the Transport Logistic in Munich, Germany, June 4–7, 2019

Visit our stand and learn more about IDENTEC SOLUTIONS' products to improve your process quality.

We are exhibiting together with our partner star/trac at the world's leading trade fair for logistics, mobility, IT and supply chain management. Over 2,000 exhibitors guarantee that you will meet all key players and innovations in one place.

Join the high-quality conference program and get to know the optimal solutions for every requirement. Transport Logistic combines innovative products, technologies, and systems with pooled expertise and a strong sales focus.

Meet our IDENTEC SOLUTIONS' specialists at the **exhibition hall A3, booth 400**, and test test a miniature version of our gate automation solution. Our wireless gate management achieves up to 75% time saving, by automating truck gate processes during check-in and check-out. Come and talk to our team about the best solution to increase your quality processes with a new gate management solution.

We look forward to meeting you at the Transport Logistic, Munich!
